Would you kindly give me a call about this? Justice Department officials responsible for vetting awards offered to U.S. Attorneys by outside organizations have us asked for additional information. I think the questions I have listed below (which are expanded from the earlier vetting questionnaire we sent you) will cover what they are asking about.

1. If the U.S. Attorney is being honored:
 - a. What are the criteria your organization applies to determine who should be honored for this specific award?
 - b. What is the internal process by which your organization selects potential honorees?
 - c. For what specific public service or achievement do you wish to honor the U.S. Attorney?
 - d. Did any of the accomplishments of the U.S. Attorney which you wish to honor directly affect the organization or its members? (Describe.)
 - e. Do any of the board members or host committee or senior staff have any matters pending before or involving the United States Attorney's Office for the Southern District of New York?
 - f. Please provide a description and the value of any award item (if the award item is a plaque, certificate or trophy of little intrinsic value, you may so indicate).
 - g. Who else is expected to be honored at the event?

Thanks much.
